TUKONGOTE MAIZE GROWING PROJECT, held a meeting on 19/02/15 with the following budget; 1 water pump, 5000 water tank, 6 hoes, pipes, ropes, 2 spede, 4 axes, springler, artificial we also need the following type of seed, 25kgs potatoes, 25kgs of maize panner seed, we come up with good and fitting thought to grow maize in a field of about 2 hectares, but is not only for the maize also other crops which we can desire to fit and profitable to the committee, like potatoes. So far, on 02/03/15 we started to remove the trees in the field, but after 1 week, we will start ploughing with the cattle. We request for your further assistance by giving us the farming implement required for the prosperity of the project.
